Ingredients

- ¼ cup Organic Coconut Oil
- ¼ cup Organic Beeswax
- ¼ cup Organic Shea Butter
- 16 drops peppermint or wild orange essential oil

Instructions

1. In a double boiler melt all oils on low heat (except essential oils) together until well blended.
2. Remove from heat, add essential oils and stir.
3. Pour into lip balm tubes or tins.
4. Place the tubes in the refrigerator or freezer for 15 minutes to set before capping.

My sister, daughter, and myself made this one weekend. Took about a half hour (or less) and made a whole bunch. We used the wild orange but probably should have used the peppermint. It wasn't too greasy and was super moisturizing.
